

Supporting Educational Access for International Researchers' Children

Collaboration Between Kyoto University and KIS

Kyoto University has secured a designated number of priority admission slots at Kyoto International School (KIS) for the children of international researchers (including doctoral students) appointed to the university from abroad.

Admission is subject to meeting the standers required by KIS (admission is NOT guaranteed). Please consult with KIS in advance if you require reasonable accommodation regarding facilities or support systems.

About KIS

International Environment

A global learning environment with diverse body of 180 students from 30 different countries.

International Accreditation

The only school in the prefecture to offer high-quality English Education based on the International Baccalaureate (IB) from kindergarten through high school

Access to Kyoto University

Approximately 30 minutes from Kyoto University main (Yoshida) campus via public transportation

Reduced Financial Burden

Tuition levels are reasonable compared to other international schools (annual tuition approx. 1.3 to 1.7 million yen)

※Scholarship may be available for Visiting Scholars. Please contact KIS for details.

FAQ

Application Flow

**Please note that screening may take longer than usual during KIS' summer break from June to August. Also, please be aware that some required documents such as health certificates can take time to obtain.

STEP 1

Email submission

Complete the Referral Request Form with the following information, attach the certificate of enrollment/acceptance issued by your department, and email it to International Support Center.

*Please contact us approximately 2 to 3 months before your desired enrollment month.

- Student's name
- Date of birth
- Period of enrollment
- Contact email address

STEP 2

Contact from Kyoto University to KIS

The International Support Center will forward the necessary information to KIS

STEP 3

Contact from KIS to the Scholar

KIS will contact the scholar regarding the screening process and other procedures.

STEP 4

Online application and screening at KIS

Submit the formal admission application via the KIS website

※KIS will typically notify you of the admission decision within 1 week after interview.

To initiate the process for KIS, please email the required documents to the International Support Center. ▶ Email: kis-renkei@mail2.adm.kyoto-u.ac.jp
