About Move-In Procedures

Requirements for Residency

Those who meet one of the two qualifications listed below may reside at the center.

- International students or researchers registered at a university who can be recommended by that university or a similar institution.
- Japanese students or researchers who are registered at a university or similar institution and who can be recommended by that university are also eligible.

Type of Residency

Long-term : More than 3 months

Short-term : Between 1 and 3 months (inclusive)

How to apply

Submit the prescribed application at the university or institution.
